

A special message for the people of Tankaria on the eve of Shab-e-Barat.

If we examine the glorious history of Tankaria village, we can truly say with pride that the wonderful deeds done by the people of this village have been consistently recognised in the country and abroad. No small or big work of Tankaria Village has ever remained incomplete. Our history does not contain such an example. Whether it is important medical work, such as at Anjuman Hospital; services like Ghush Van; or all the good works and efforts that will be done in the future, these are living proof of our unity and brotherhood. They show our unwavering faith in Allah Almighty alone.

Allah Almighty says in the Holy Quran, the meaning of which is the following:

“The example of those who spend from their wealth in the way of Allah is like that of a grain from which seven buds grow; in each bud there are a hundred grains. And Allah increases it to whom He wills. Allah is the Exalted, the Merciful, the All-Knowing.” (Surah Al-Baqarah: 2:261)

And in another place, it is said, “You will never attain righteousness (birr) until you spend from it that which you love. And whatever you spend, Allah is well aware of it.” (Surah Al-Imran: 3:92)

Whatever we do is not only for people's benefit but also to gain the pleasure of Allah. Allah is fully aware of our intentions. Allah, who can bring the entire universe into existence by just saying “Qun” (Be), never has any shortage or deficiency in His treasures. Allah Almighty

has bestowed wealth on the people of Tankaria Village and the world. Allah has also given many hearts the ability for charity, generosity, and service. With this, not one but many such deeds will be done easily.

The Messenger of Allah ﷺ says, which means, “Charity (khairat) does not decrease wealth.” (Sahih Muslim)

And in another blessed hadith, he says, which means, “The best of people are those who are most beneficial to people.” (Al-Mujam al-Awsat)

Therefore, today the greatest responsibility of all of us is to fulfil our duties, yours and all of ours, with complete honesty, sincerity and openness. Let us move forward with a strong sense of cooperation and brotherhood, holding each other's hands. Let us be active participants in every good work of the village, with full trust only in Allah Ta'ala. Let us make a special dua as the Sabe Barat is approaching and resolve that with the special help of Allah Ta'ala, we will try to make Tankaria village a unique centre of goodness, service, unity and progress for the people of the entire village. We pray to Allah Ta'ala that He may bless all our efforts; grant us openness; accept our intentions; make our village more prosperous and progressive, and grant us the ability to seek only His pleasure. Amen, Ya Rabbal Alamin.
